WHEN THE MISSION COUNTS...

## CQB TACTICS

Close proximity offensive action is commonly referred to as close quarter battle (CQB). It is characterized by rapid offensive action and the precise application of lethal force. Because of the close proximity of the perpetrators during assault operations, entry team personnel must make split-second decisions and take appropriate actions in order to save lives. This course will prepare operators for that situation.

**DURATION: 5 DAYS / 50 HOURS**

**Course content includes:**

- Principles / Fundamentals of CQB
- Methods of Entry
- Assault team members' responsibilities
- Assault phases and reporting procedures
- Dynamic vs. Stealth Entry
- CQB Marksmanship
- CQB procedures for 2-, 3-, and 4- man teams
